

CONSTRUCTION UPDATE

Construction of Dusk and Eve is progressing well, with completion on target for early 2017. Scaffolding will start coming down on Eve from the end of September, gradually revealing the architectural features of the building with Dusk to follow a little later in the year.

The entry building is well under way and construction of the internal road should commence by the end of October.

Most exciting is that construction of the pool and residents lounge has commenced and you will be able to see this taking shape over the coming weeks.

SCAPE - THE LATEST RELEASE AT VANTAGE

Artist's impression of Scape Dining and Balcony

"SCAPE" is the last building at Vantage offering direct frontage to Royal Pines Resort, and the combination of its unique location and the subtle evolution in design has resulted in apartments being snapped up quickly.

With over 50% already sold, new owners are mostly from the local area with most purchasing apartments as their future home. Spanning 6 levels, apartments in Scape offer a diverse

range of views including golf course, hinterland and the lush central parklands. All apartments in Scape offer 2 car parks and basement storage. The mix of 2 and 3 bedrooms apartments feature ducted air conditioning, high ceilings and magnificent kitchens and bathrooms.

Construction of Scape is expected to commence towards the end of 2016, for completion in the second half of 2017.

COCKTAILS & CONVERSATIONS

Future residents at Vantage enjoyed an exclusive cocktail evening at One50 Public House on August 20.

With representatives of Rayjon (developer), Condev (builder) and Ellivo (architects) in attendance, purchasers had the opportunity to meet some of the people behind Vantage, as well catching up with their future neighbours.

Managing Director of Rayjon, John Hembrow, said “the success of Vantage is all about creating a vibrant and cohesive community and functions like tonight’s play a key role in achieving this. It provides many of our purchasers the opportunity to form friendships with their neighbours ahead of their move to Vantage. It also enables people to learn more about Rayjon and to experience one of our hospitality assets in One50 Public House.”
